

# **SINGAPORE SHIPPING ENTERPRISES**

## **COMPANY PROFILE**

JANUARY 2022

[www.sse.sg](http://www.sse.sg)

- **Singapore Shipping Enterprises Pte. Ltd. (SSE)** was formed in 1991 to provide reliable and professional ship services to all types of ships in **Singapore** and throughout Asia.
- We offer highly efficient services and around-the-clock care as **Agents** and/or **Representatives** to Charterers and Owners' vessels.

- Shipping Agency
- Owners' representation in the region
- Representation of marine equipment
- Freight forwarding and total logistic services by land, sea and air
- Assistance on Singapore Registry

Through our affiliate companies in the Far East:

- Ship Inspections & Audits
- Ship Communications & IT Tech Support
- Ship Chartering, Ship Broking
- NB Project Management
- Ship Management
- Crewing Services

- A shipping agency is a demanding and competitive industry, each client's needs are unique. Our aim is to tailor SSE's services to **meet these needs and deliver them effectively on time.**
- A key component of our quality service is the ability to **communicate efficiently** for a timely transfer of data and to provide **quick access to information** regarding local port authorities' procedures and regulations, customs and immigration formalities, and terminals. Our liaison offices are equipped with in-house communication systems to ensure all parties are notified on vessels' movements and port information.
- Our commitment is further enhanced with **top quality service at competitive cost.** We believe this **close personalized service** with our clients will **maximize voyage returns** for their ships calling at above ports.

- To provide 24 hours / 365 days a year quality services at competitive cost.
- To add value to our clients' operations, satisfy and exceed their expectations.
- To build long-term relationships based on mutual trust.
- To represent top quality equipment makers & their services.
- To uphold the highest standings of integrity.
